

PORTFOLIO

DESIGN differentiates one product from another in the marketplace.

Swapnil Sham Naik

Creative Designer

With **15+ years of experience**, I'm Swapnil Naik a Creative Designer of **S N CREATIVES** a GST-registered, MSME-certified proprietorship company offering clear, purposeful, and visually strong design solutions. I work as a **freelancer** and also collaborate with a **skilled team** to handle projects of any scale, ensuring quality and consistency throughout.

I partner with businesses of all sizes to understand their goals and translate them into simple, effective visual communication. From websites and logos to marketing materials, I bring ideas to life through a balanced blend of aesthetics and functionality.

2 out of 6 ALLERGIC RHINITIS patients will develop **ASTHMA** later in their life!

Symptoms of allergic rhinitis may be similar to common cold - a type of infectious rhinitis. But infections are relatively short-lived, and the symptoms improve in three to seven days.²

Watery Eyes Sneezing
Stuffy and Runny Nose Itching in the throat

Look for long-term symptoms like³

It could be ALLERGIC RHINITIS
So speak to your doctor and adhere to the treatment!
